Cushions + Upholstery

Aerobu® Custom Cushions

Aerobu® custom Cushions provide custom outdoor and indoor, marine cushions for commercial and consumer customers from various parts of the country and Indonesia. We also service manufactures sourcing Agora by Tuva textile in Indonesia and across Europe. We have representatives in each region.

Aerobu® is very well-resourced. We have almost 3 hectares of new factory in Jepara, Central Java. We've also invested in the latest equipment for customised outdoor cushion and furniture cover production.

Best Performance outdoor foam by:

Deco Cushion by

LUXURY OUTDOOR DECO CUSHION

Aerobu® deco cushion is a pillow with filler Trillium-like, Trillium-like is a nano polyester fill which mimics the characteristics of natural synthetic down with anti-microbial and fungus protection suitable for outdoor and indoor cushion use.

Trillium-like has a unit value of 700 FP fill power equivalent to goose feathers with a Fiber Low Denier (0.9D) composition as well as goose down. The secret of comfort lies in the core construction inside
